New Sermon Series and Class start January 9th!

Proverbs: The Way of the Wise

Our January sermons will call us to hear and apply the wisdom of the Proverbs of the Hebrew Bible (Old Testament). There are 31 chapters in Proverbs and 31 days in the month of January, so let's all commit to reading one chapter a day during the month!

Anchors for the Soul

This video series, led by Dr. John Mark Hicks, is designed to teach us how to hold onto faith and trust in God even during times of chaos and suffering. The truth of God's love and faithfulness are anchors for the soul. Participants will learn about these anchors, and also hear and share stories of personal suffering.

Sunday Kids Programs

During the sermon time, children ages 4 through 5th grade are invited to the Family Life Center for Kids Worship and kids ages 0-3 are invited to the nursery.

HEARING GOD'S VOICE IN AMOS

Restoration Initiative 2022

The Office of Church Relations at Pepperdine University has invited some of the leaders from Tri-Valley to participate in a ministry cohort called The Restoration Initiative: Thriving Congregations. Throughout the coming year, our leaders will attend training sessions along with other Bay Area churches that will equip our congregations for spiritual health and growth. Please pray for and encourage your Tri-Valley leaders as they discern God's will for our congregation and lead us in faithfully following Jesus.
