Get Involved!

Registration is now open for the 2022 West Coast Girls' Conference. Click on the QR code to register through our website. We would love to have donations of desserts, granola bars or Nutri-Grain bars, and fruit. Our service project is to collect donations for the Livermore Homeless Refuge and the church is encouraged to participate in that as well. See the poster for the list of supplies requested.

There is also a workday on **Friday, February 25th** starting at 10:00AM. Lunch will be provided and people are welcome to come and go and help us set up and prepare for the Saturday conference.

Ask one of our Restoration Initiative participants about this vision poster!

A handful of Tri-Valley leaders attended an all-day conference in San Francisco on Jan 22 to hear and share ideas about what helps congregations thrive. Please continue to pray for our leaders and stay tuned for more on ways we all can participate in this church-wide emphasis on restoration.
