Elfing is Here!

Every year during the holiday season, the youth group starts to accept Elfing orders. It costs \$40 to elf a house and all of the proceeds go to Agape Villages. Teens will go out and decorate someone's yard with red and green balloons, two elf cutouts, and a sign. We will start accepting orders on November 28th and we will accept them through December 19th. If you want to get involved, here are some things you can do!

-Place an order! It's \$40 and all we need from you is the name of the person being elfed, their address, and what you want the sign to say. Our signs have just enough space for your name to be added or something else such as "Your Neighbor" or "Anonymous." The teens take care of the rest!

-Volunteer to drive! On Wednesday nights during the month of December, teens will be going out and Elfing houses. If you are able and willing, it would be great to have you drive some teens around Livermore to get orders done.

-Do some Elfing! You can come on Wednesday nights and join in on the Elfing fun! If you want to elf houses but aren't comfortable riding with or driving other people, you could take some kits home. Everything will be provided, you just have to elf the person. Kids love Elfing and it's a great way to spend family time together.

-Ask Brittany! If none of those options sound right for you, contact Brittany Wallage and she will find something for you to do. This could be bringing snacks for the teens, laminating signs, or putting together Elfing kits. Call, text, or email at (925) 594-2035 or wallagebn@gmail.com.

Children's Ministry New Year's Day Party!

Fri, Dec. 31st • 11am-1pm

Hey kids and families! Come ring in the New Year (a little early) with us at the New Year's Eve day party in the Family Life Center.

→ Please RSVP to Sarah or Ryan Gipson by Dec 29th. ←

This December we're in a series called "Christ in the Carols." We will listen to some classic Christmas Carols that are theologically rich. They not only tell the story of the birth of Jesus, but also the *significance* of what the arrival of the Messiah meant for the world then, and what it continues to mean for the world now. This series is a great opportunity to invite your friends and neighbors to come hear the good news of Jesus Christ in a warm and festive setting!
