New Fall Quarter Adult Classes: Sundays at 9 a.m.

Option 1: *The Tech-Wise Family* with Jacob and Lisa Parnell in Room 7
Technology has brought good in many ways, but it can also have unforeseen consequences, for ourselves, our children, and our relationships. Being Tech-Wise is about more than just setting time limits or internet filters. It's about using digital media in self-controlled ways, in line with the character we want to develop in ourselves and our families. Based on the book, *The Tech-Wise Family* by Andy Crouch, we'll use theological and practical lenses for discussing the issues of technology.

Option 2: *A Clash of Kingdoms and Cultures in Conflict*, in Room 6 (teachers TBD)
How do you live in a culture where the worldview conflicts with Christianity, or where there are so many messages proclaimed as "good news" but are far from the gospel of Christ? Paul addressed these issues in the cities of Philippi, Corinth, and Athens declaring Jesus as Lord and the gospel of Christ as the true good news. This series, with videos by Ray Vander Laan, explores the historical context of the letters to the Philippians and Corinthians while also making connections with our own post-Christian context and offering ways we can live to glorify God here and now.

Labor Day BBQ at the Weiss Home: To everyone at TVCC, join the Weiss Family **TOMORROW**, September 3, 12 - 4 p.m. The pool will be open too! Burgers, hot dogs, chips, lemonade, and water will be provided. Feel free to bring anything else to grill, share, or drink. RSVP to Phil by 1 p.m. today to reserve your place in the sun!

A Message from Jacob: Every August I take the month off from preaching in order to focus on praying, planning, and studying for the coming year's sermons. I do this at the request of the elders who think it's important for the church to periodically hear other preaching voices — some from within the congregation and some guest speakers. This Sunday we get to hear a fantastic message from one of our elders, Rod Davis. I look forward to preaching again in September, and I'm excited about the lessons we have planned for this year!

Sundays at 9 a.m. in The Well

The Gospel of John: 9/9-11/18 "For God so loved the world, that He gave His only Son, that whoever believes in Him should not perish but have eternal life." — John 3:16

The key theme of this gospel is that Jesus is the promised Messiah and Son of God, and by believing in Jesus, people can have eternal life. Throughout the Fall Quarter, we'll spend our Sunday mornings reading the book of John and allowing the Holy Spirit to lead us deeper into understanding of this truth and closer to Jesus.

Wednesdays@The Well, 7 p.m. 9/5-9/26

Life On Mission: This 4-week series with Rightnow Media curriculum is geared to help teach our students to join in on the everyday mission of God. We'll define the gospel and its foundation as well as the practice of living the gospel mission.
